CHEVY / GMC PICK UP '88 – '98
CHEVY / GMC SUBURBAN '92 – '99

FIRE EXTINGUISHER MOUNT CHEVY / GMC

This fire extinguisher mounting bracket is designed to adapt Amerex Brand 2.5 lb. fire extinguishers to Chevy / GMC pick ups and Suburbans. This mount locates the extinguisher in front of the driver or passenger seat.

Step 1.

Remove decorative trim covering the seat track to floor mounting bolts (some models may not be equipped with decorative trim).

Step 2.

Remove both seat track to floor mounting bolts.

Step 3.

Gently raise front of seat and position R-9301 between seat mounting brackets and floor as shown.

Step 4

Install seat bracket to floor mounting bolts (make sure bolts pass through the holes in the R-9301).

Step 5.

Attach extinguisher mounting bracket to R-9301 using supplied hardware and reinstall decorative trim previously removed in step 1.

Step 6.

Check that all fasteners are tight and attach extinguisher to mounting bracket. Move seat through full motion and make sure that there is no contact between the extinguisher and the seat. Adjust if necessary. Finished installation should look like this.

Performance driving events are by nature potentially hazardous to your health. Brey-Krause Mfg. Co.
